

Hello, I am John Victor Castillo, Owner of Victor's Regent Pharmacy and President of Regent Drugs of New Mexico. It is my Honor to recognize and award the 2024 Bowl of Hygeia Award to Teri Rolan.

Established in 1958, the Bowl of Hygeia Award recognizes pharmacists who possess outstanding records of civic leadership in their communities and encourages pharmacists to take active roles in their communities.

Teri's first accomplishment was when she was crowned NM State Fair Rodeo Queen in 2001. She fulfilled her dream of earning her Doctorate of Pharmacy in 2006 from the University of New Mexico College of Pharmacy. She became a Board member of the International Board for Compounding Pharmacists in 2015 thru 2018. She is a standing Board member of the NM Board of Pharmacy beginning in 2016. Teri became the president of New Mexico Pharmacists Association in 2017.

Teri is a current preceptor for the UNM College of Pharmacy helping to shape future pharmacy students into future community leaders. She continues to enjoy the rodeo life and is a volunteer for the School of Dreams Academy FFA Chapter and the Bosque Farms 4-H Club.

I am thankful to employ a pharmacist of Teri's caliber, where she is the Pharmacist in Charge at Victor's Regent Pharmacy. Our patients have commented on Teri's concern and interest in their health issues, and their treatments as such. Teri continues to support NM Independent Pharmacy and give back to the community in an outstanding way.

I present the 2024 Bowl of Hygeia to Teri Rolan.

Thank you John for your nomination and NMPhA for selecting me to receive this prestigious award. I'm honored to stand with the other pharmacists before me who have also received the Bowl of Hygeia but in particular Victor Castillo. My prayer

is that I continue to help with his legacy patient care to the south valley community and to continue to promote practicing pharmacy to the top of our licenses. Being a pharmacist has enriched my life and I hope that I am able to repay that favor by serving others. I truly appreciate the opportunities that practicing pharmacy has given me as well as being a member of the New Mexico Pharmacists Association. I would also like to thank Dale and Julie for all of their hard work and commitment to this organization. You guys are absolutely amazing!!
